

FEMALES IN TRAINING FIT-Ability TRAILER HIRE POLICY

The FIT-Ability Trailer is available for use for general FIT activities as approved from time to time by the FIT Committee. This includes specific FIT-Ability activities as well as events or activities organised by FIT (such as cycling or triathlon events) or general activities where FIT is being promoted (such as the Festival of Cycling or Tour de Femme).

Subject to availability, the FIT-Ability trailer may be hired by FIT members for use to support cycling activities. A small hire charge has been determined to generate funds which would be used to contribute to covering the insurance, registration and running costs.

There is no requirement that the bikes being carried belong to FIT members, simply that the person accepting responsibility for the trailer is a current FIT member.

The trailer is **ONLY** to be used to carry bikes and reasonable luggage. It is not to be used as a removal van, for trips to the tip etc.

Cost: \$50 for the first day and \$10 per day thereafter.

Refundable Deposit: An amount equal to the Insurance Excess will be paid as a deposit on the trailer. Currently \$200 as at November 2003. (TBC)

Payment: Payment will be made on acceptance of the booking.

Booking: Bookings can be made with the FIT-Ability coordinator (currently Rae Wells 041 6249 372). As much advance notice as possible would be appreciated.

Insurance: The trailer is insured with the NRMA and the driver will need to contact the NRMA to advise their license number to have insurance cover.

Liability for damage: In the unlikely event of an accident the hirer will be required to pay the Excess on the insurance.

Storage of Tandems: As the trailer normally houses the tandems the hirer will need to make appropriate arrangements for the secure storage of the tandems while the trailer is otherwise deployed.

Policy Date: This policy was ratified by the FIT Committee at its meeting on 11 November 2003.

Review of this Policy: The fees for hire will be reviewed by the Committee from time to time as deemed necessary.
