

FIT VOLUNTEERING AT ACT TRIATHLON EVENTS

ACT Triathlon Events are delivered as a combined delivery model between the Triathlon ACT Affiliated Clubs and Triathlon ACT. As one of the affiliated clubs FIT is required to provide volunteers to assist with planning preparation and delivery of all of these events. As all our triathletes and volunteers will be aware a HUGE amount of work is required to conduct triathlon, duathlon and aquathlon events.

As per our Agreement with TACT, FIT is required to have volunteers at each of the Club / TACT events.

WHAT WILL I HAVE TO DO AS A VOLUNTEER?

There are many interesting, challenging and fun roles involved with setting up, running and packing down for each triathlon event. Key roles include Race Director, Cycle Course and Timing Manager. Volunteers are also required to assist with refreshments and directing participants at key places.

We are now seeking expressions of interest from FIT members that are prepared to act as volunteers for the coming season. The more members that are prepared to help out, the less that will be required from each volunteer.

HOW DO I APPLY TO BE A VOLUNTEER?

Complete the application form (attached) and submit your completed application by email to enquiries@fitact.org.au.
